Approximately how old was the equipment that you replaced? _____		

Eligibility

- This program is for existing homes only and is not available for new construction.
- Must be a new Heritage Gas residential customer and use less than 500 GJ's of natural gas per year.
- Must not have previously activated natural gas on the property.
- Must replace or convert an existing furnace/boiler, domestic hot water heater or fireplace that previously used furnace oil, propane, electricity, wood or another energy source to natural gas or install a new natural gas fireplace
- Rebates are not available for the replacement of previously installed natural gas equipment.
- Both purchased or 'lease to own' equipment will qualify.
- Eligible applicants must sign a Distribution Service Agreement and Customer Authorization Form by September 30, 2019
- A copy of the invoice(s) for the purchase of the equipment must accompany the rebate application.
- Eligible equipment must be purchased between January 1, 2019 and March 31, 2020.
- Applicants must be willing to receive an inspection to ensure the equipment was installed.
- Rebate applications and supporting documents must be complete and emailed or postmarked within 60 days of the activation date of the equipment.
- The amount of the rebate must be repaid in full if the converted equipment does not use natural gas for a minimum of 24 months after the activation date.

How to Apply

Complete the rebate application and provide a copy of the invoice(s) for all of the completed work. When the installation of the qualifying equipment has been confirmed, Heritage Gas will mail you a cheque for the approved rebate amount. If you have any questions, please contact **Heritage Gas at (902) 466-2026**.

STEPS TO NATURAL GAS ACTIVATION AND REBATE SUBMISSION:

1. Sign a Distribution Service Agreement and Customer Authorization Form by September 30, 2019
2. Have a service line installed by Heritage Gas by March 31, 2020
3. Have heating equipment installed by March 31, 2020
4. Submit completed application and supporting documents to Heritage Gas within 60 days of the equipment installation date

Required Documents

- Completed rebate application
- Copy of the invoice(s) for all of the work completed in the conversion

Applicant Statement

By checking below, you agree to the terms and conditions, www.heritagegas.com/terms-conditions-rebate-application/ and confirm all information provided in this application is complete and accurate. You also confirm that the eligible equipment was purchased between January 1, 2019 and March 31, 2020 and was installed, and operating by March 31, 2020. If you check "I agree" and you have not read the terms, then you are still agreeing to be bound by the terms.

I agree. Applicant Name/Signature: _____ Date: _____
